AIP | American Institute of Physics AIPM Meeting, Washington DC
August 1, 2016

To preserve and make known the history of the physical sciences

- AIP History serves the history efforts of Member Societies, mostly through the Niels Bohr Library & Archives
- Other services: AIP History helps organize historical sessions at MS conferences
- AIP History coordinates and trains oral history interviewers
- AIP History hosts the AIP MS History Liaison Committee once a year
- AIP History supports science education, outreach, and community building among historians of science

AIP | American Institute of Physics AIPM Meeting, Washington DC
August 1, 2016

A supportive environment for the physical sciences and their history

- **Early-career Conference:** Biennial meeting of grad students in history of physical science. The future of history of physics.
- **h-Physical Sciences:** <http://www.h-net.org/~physicalsciences/>: a gathering place on the web for historians of physics.
- **@HistoryPhysics:** on FB & Twitter, now has over 2000 followers, mostly students and young scholars and a mix of institutions like the Royal Society and people who just like physics
- **Oral History Workshops:** at AAPT, APS, Acoustical Society
- **Newsletter:** reporting on developments in history of physical science at AIP and in the MS
- **Trimble Lectures:** Science Heritage Public Lectures
- **Teaching Guides:** Women & Under-represented minorities
