AAPM @ PhysCon

November 3-5, 2016 | Silicon Valley
Host Hotel: Hyatt Regency-San Francisco Airport, Burlingame, CA
Hosted by Sigma Pi Sigma, the physics honor society

The Quadrennial Physics Congress (PhysCon) brings together physics students, alumni, and faculty members for three days of frontier physics, interactive professional development workshops, and networking. It is the largest gathering of undergraduate physics students in the world!

PENN RADIATION ONCOLOGY

AAPM @ NSBP and NSHP

Established a dedicated Medical Physics section in 2008

PENN RADIATION ONCOLOGY

AAPM @ AIP and ASTRO

AAPM liaison to the
ASTRO Committee on
Diversity and Disparity

AAPM Liaison to the AIP Committee
for Under-represented Minorities
(LCURM)

PENN RADIATION ONCOLOGY

AAPM @ The White House

Second White House astronomy night.
It was launched in 2014 to celebrate STEM

Thank You!!
