

Edward Nickoloff Remembered

Mahadevappa Mahesh, MS, PhD.
Johns Hopkins University School of Medicine
Baltimore, MD

AAPM Annual Meeting, San Antonio, Texas
Email - mmahesh@jhmi.edu * Phone: 410-955-5115 (O) * Twitter: @mmahesh1

Education

- Masters of Science in Nuclear Physics
- Worked several years in Industry
- Taught Physics and Math as a high school teacher
- Mother's death to cancer motivated him to pursue graduate studies
- Doctor of Science from Johns Hopkins University School of Public Health

Professional Career

- Johns Hopkins Hospital: Assistant Professor 1977-1981
- Columbia University Medical Center: 32 years till retirement
 - Chief Physicist
 - Professor of Radiology
- Nationally and Internationally known as expert on scientific principles of medical imaging and radiation dose
- Taught graduate students and radiology residents

Publications and Achievements

- > 150 lectures at scientific meetings
- > 55 peer reviewed journal articles
- > 85 abstracts

Two Books

- Radiology: Radiologic Physics
- Applications of Statistics to Medicine Physics

Professional Societies

- >25 leadership positions held
- President - Radiological and Medical Physics Society (RAMPS)
- Chairman - American College of Medical Physics (ACMP)
- Board Member – American Association of Physicists in Medicine
- Secretary – American Board of Medical Physics (ABMP)

Awards

- Edith Quimby Award from AAPM
- Marvin Williams, MD award from AAPM/ACMP
- Fellow awards
 - American College of Radiology
 - American Association of Physicists in Medicine
 - Health Physics Society
 - American College of Medical Physics
- Lifetime Achievement Award – Upstate NY chapter of AAPM
- Professor Emeritus of Radiology and Medical Physics – Columbia University
